U.S. Attorney Launches Mortgage Fraud Task Force

November 12, 2008: United States Attorney Catherine Hanaway announced today the formation of the U.S. Attorney's Mortgage Fraud Task Force. The first meeting of the U.S. Attorney's Task Force on Mortgage Fraud occurred today at the U.S. Attorney's office in St. Louis.

"Most of us have learned the hard way that the mortgage industry is a crucial part of our economy and that dishonesty and corruption have damaged the integrity of that industry," said Hanaway. "This task force is an attempt to build on the relationships that have already been established among law enforcement over the last several years and to reach out to a broader group to make sure the prosecutorial response to the mortgage fraud crisis is as intense as the crisis itself."

The U.S. Attorney's Office in the Eastern District of Missouri has a long history of prosecuting mortgage fraud. "We have a strong record of prosecuting these fraudsters to the full extent of the law," said Hanaway. "This Task Force should cast a broader net so that we can catch more of these criminals and put them behind bars."

The Task Force aims are three-fold: (1) to stop mortgage fraud before it starts by educating industry officials, the borrowing community and local law enforcement; (2) to ensure ALL cases of fraud are brought to the attention of law enforcement and prosecutors and (3) once cases are charged, to take care that the voice of the communities victimized by mortgage fraud are heard by the courts.

The Task Force is made up of a broadly based group of law enforcement, government regulators and real estate professionals. In attendance at Wednesday's meeting were representatives of the Federal Bureau of Investigation, Internal Revenue Service, U.S. Postal Inspection Service, U.S. Department of Housing and Urban Development, Missouri Department of Insurance Financial Institutions and Professional Registration, Missouri Mortgage Bankers Association, Missouri Association of Mortgage Brokers, Missouri Bankers' Association, St. Louis Association of Realtors, the City of St. Louis Office of Development, the Washington Police Department, the Webster Groves Police Department, the Ferguson Police Department, the Hazelwood Police Department, the St. Louis County Police Department, the Missouri Sheriffs' Association, the St. Louis Better Business Bureau, and the United States Attorney's Office.

Anyone wishing to join the Task Force or to report evidence of mortgage fraud should call Assistant United States Attorney Tom Albus at (314) 539-2200.

Mortgage Fraud Legislation - House Bill 2188

House Bill 2188 was passed by the 94th General Assembly which relates to mortgage fraud. Below is the language that took effect on August 28, 2008. (Note: Bold text is new language and text in brackets [] is deleted language).

Section A. Sections 339.100, 339.532, 443.809, 443.810, and 443.891, RSMo, are repealed and nine new sections enacted in lieu thereof, to be known as sections 339.100, 339.175, 339.532, 339.543, 443.809, 443.810, 443.891, 443.930, and 570.310, to read as follows:

339.100. 1. The commission may, upon its own motion, and shall upon receipt of a written complaint filed by any person, investigate any real estate-related activity of a licensee licensed under sections 339.010 to 339.180 and sections 339.710 to 339.860 or an individual or entity acting as or representing themselves as a real estate licensee. In conducting such investigation, if the questioned activity or written complaint involves an affiliated licensee, the commission may forward a copy of the information received to the affiliated licensee's designated broker. The commission shall have the power to hold an investigatory hearing to determine whether there is a probability of a violation of sections 339.010 to 339.180 and sections 339.710 to 339.860. The commission shall have the power to issue a subpoena to compel the production of records and papers bearing on the complaint. The commission shall have the power to issue a subpoena and to compel any person in this state to come before the commission to offer testimony or any material specified in the subpoena. Subpoenas and subpoenas duces tecum issued pursuant to this section shall be served in the same manner as subpoenas in a criminal case. The fees and mileage of witnesses shall be the same as that allowed in the circuit court in civil cases.

2. The commission may cause a complaint to be filed with the administrative hearing commission as provided by the provisions of chapter 621, RSMo, against any person or entity licensed under this chapter or any licensee who has failed to renew or has surrendered his or her individual or entity license for any one or any combination of the following acts:

(1) Failure to maintain and deposit in a special account, separate and apart from his or her personal or other business accounts, all moneys belonging to others entrusted to him or her while acting as a real estate broker or as the temporary custodian of the funds of others, until the transaction involved is consummated or terminated, unless all parties having an interest in the funds have agreed otherwise in writing;

(2) Making substantial misrepresentations or false promises or suppression, concealment or omission of material facts in the conduct of his or her business or pursuing a flagrant and continued course of misrepresentation through agents, salespersons, advertising or otherwise in any transaction;

(4) Representing to any lender, guaranteeing agency, or any other interested party, either verbally or through the preparation of false documents, an amount in excess of the true and actual sale price of the real estate or terms differing from those actually agreed upon;

(5) Failure to timely deliver a duplicate original of any and all instruments to any party or parties executing the same where the instruments have been prepared by the licensee or under his or her supervision or are within his or her control, including, but not limited to, the instruments relating to the employment of the licensee or to any matter pertaining to the consummation of a lease, listing agreement or the purchase, sale, exchange or lease of property, or any type of real estate transaction in which he or she may participate as a licensee;

(6) Acting for more than one party in a transaction without the knowledge of all parties for whom he or she acts, or accepting a commission or valuable consideration for services from more than one party in a real estate transaction without the knowledge of all parties to the transaction;

(7) Paying a commission or valuable consideration to any person for acts or services performed in violation of sections 339.010 to 339.180 and sections 339.710 to 339.860;

(House Bill 2188 continued...)

(8) Guaranteeing or having authorized or permitted any licensee to guarantee future profits which may result from the resale of real property;

(9) Having been finally adjudicated and been found guilty of the violation of any state or federal statute which governs the sale or rental of real property or the conduct of the real estate business as defined in subsection 1 of section 339.010;

3. After the filing of such complaint, the proceedings will be conducted in accordance with the provisions of law relating to the administrative hearing commission. A finding of the administrative hearing commissioner that the licensee has performed or attempted to perform one or more of the foregoing acts shall be grounds for the suspension or revocation of his license by the commission, or the placing of the licensee on probation on such terms and conditions as the real estate commission shall deem appropriate, or the imposition of a civil penalty by the commission not to exceed two thousand five hundred dollars for each offense. Each day of a continued violation shall constitute a separate offense.

4. The commission may prepare a digest of the decisions of the administrative hearing commission which concern complaints against licensed brokers or salespersons and cause such digests to be mailed to all licensees periodically. Such digests may also contain reports as to new or changed rules adopted by the commission and other information of significance to licensees.

5. Notwithstanding other provisions of this section, a broker or salesperson's license shall be revoked, or in the case of an applicant, shall not be issued, if the licensee or applicant has pleaded guilty to, entered a plea of nolo contendere to, or been found guilty of any of the following offenses or offenses of a similar nature established under the laws of this, any other state, the United States, or any other country, notwithstanding whether sentence is imposed:

6. A person whose license was revoked under subsection 5 of this section may appeal such revocation to the administrative hearing commission. Notice of such appeal must be received by the administrative hearing commission within ninety days of mailing, by certified mail, the notice of revocation. Failure of a person whose license was revoked to notify the administrative hearing commission of his or her intent to appeal waives all rights to appeal the revocation. Upon notice of such person's intent to appeal, a hearing shall be held before the administrative hearing commission.

339.175. 1. If the commission believes that a real estate broker or real estate sales person has engaged in, is engaging in, or has willfully taken a substantial step toward engaging in an act, practice, omission, or course of business constituting mortgage fraud, as defined in section 443.930, RSMo, or that a person has materially aided or is materially aiding any such act, practice, omission, course of business, the commission may maintain an action in the circuit court of any county of the state or any city not within a county to enjoin the person. (House Bill 2188 continued...)

2. The court may impose a civil penalty against the person not to exceed two thousand five hundred dollars for each violation and may grant any other relief the court determines is just and proper under the circumstances including, but not limited to, a temporary suspension of any license issued by the commission.

The commission may conduct joint investigations, enter into confidentiality agreements and share information obtained relating to an investigation under this section with other governmental agencies.

4. The enforcement authority of the commission under this section is cumulative to any other statutory authority of the commission.

(12) Violating the confidential nature of governmental records to which the person gained access through employment or engagement to perform an appraisal assignment or specialized appraisal services for a governmental agency;

(16) Assisting or enabling any person to practice or offer to practice any profession licensed or regulated by sections 339.500 to 339.549 who is not licensed or certified and currently eligible to practice pursuant to sections 339.500 to 339.549;

(17) Use of any advertisement or solicitation which is false, misleading or deceptive to the general public or persons to whom the advertisement or solicitation is primarily directed;

(18) Disciplinary action against the holder of a license, certificate or other right to practice any profession regulated pursuant to sections 339.500 to 339.549, imposed by another state, territory, federal agency or country upon grounds for which revocation or suspension is authorized in this state;

The holder of a certificate or license revoked pursuant to this section may not obtain certification as a state-certified real estate appraiser or licensure as a state-licensed real estate appraiser for at least five years after the date of revocation.

5. A person whose license is revoked under subsection 4 of this section may appeal such revocation to the administrative hearing commission, as provided by chapter 621, within ninety days from the time the commission mails the notice of revocation. A person who fails to do so waives all rights to appeal the revocation.

6. A certification of a state-certified real estate appraiser or a license of a state-licensed real estate appraiser that has been suspended as a result of disciplinary action by the commission shall not be reinstated, and a person may not obtain certification as a state-certified real estate appraiser or licensure as a state-licensed real estate appraiser subsequent to revocation, unless the applicant presents evidence of completion of the continuing education required by section 339.530 during the period of suspension or revocation as well as fulfillment of any other conditions imposed by the commission. Upon a proper showing, the court may issue a permanent or temporary injunction, restraining order, or declaratory judgment.

2. The court may impose a civil penalty against the person not to exceed two thousand five hundred dollars for each violation and may grant any other relief the court determines is just and proper in the circumstances including, but not limited to, a temporary suspension of any license issued by the commission.

3. The commission may initiate an investigation and take all measures necessary to find the facts of any potential violation of this section, including issuing subpoenas to compel the attendance and testimony of witnesses and the production of documents and other evidence. The commission may conduct joint investigations, enter into confidentiality agreements, and share information obtained relating to an investigation under this section with other governmental agencies.

4. The enforcement authority of the commission under this section is cumulative to any other statutory authority of the commission.

I. Appraiser Independence Safeguards

A. An “appraiser” must be, at a minimum, licensed or certified by the state in which the property to be appraised is located.

B. No employee, director, officer, or agent of the lender, or any other third party acting as joint venture partner, independent contractor, appraisal company, appraisal management company, or partner on behalf of the lender, shall influence or attempt to influence the development, reporting, result, or review of an appraisal through coercion, extortion, collusion, compensation, inducement, intimidation, bribery, or in any other manner including but not limited to:

- (1) withholding or threatening to withhold timely payment or partial payment for an appraisal report;
- (2) withholding or threatening to withhold future business for an appraiser, or demoting or terminating or threatening to demote or terminate an appraiser;
- (3) expressly or impliedly promising future business, promotions, or increased compensation for an appraiser;
- (4) conditioning the ordering of an appraisal report or the payment of an appraisal fee or salary or bonus on the opinion, conclusion, or valuation to be reached, or on a preliminary value estimate requested from an appraiser;
- (5) requesting that an appraiser provide an estimated, predetermined, or desired valuation in an appraisal report prior to the completion of the appraisal report, or requesting that an appraiser provide estimated values or comparable sales at any time prior to the appraiser’s completion of an appraisal report;
- (6) providing to an appraiser an anticipated, estimated, encouraged, or desired value for a subject property or a proposed or target amount to be loaned to the borrower, except that a copy of the sales contract for purchase transactions may be provided;
- (7) providing to an appraiser, appraisal company, appraisal management company, or any entity or person related to the appraiser, appraisal company, or appraisal management company, stock or other financial or non-financial benefits;
- (8) allowing the removal of an appraiser from a list of qualified appraisers, or the addition of an appraiser to an exclusionary list of disapproved appraisers, used by any entity, without prompt written notice to such appraiser, which notice shall include written evidence of the appraiser’s illegal conduct, a violation of the Uniform Standards of Professional Appraisal Practice (USPAP) or state licensing standards, substandard performance, improper or unprofessional behavior or other substantive reason for removal (except that this prohibition will not preclude the management of appraiser lists for bona fide administrative reasons based on written, management-approved policies);
- (9) ordering, obtaining, using, or paying for a second or subsequent appraisal or automated valuation model (AVM) in connection with a mortgage financing transaction unless: (i) there is a reasonable basis to believe that the initial appraisal was flawed or tainted and such basis is clearly and appropriately noted in the loan file, or (ii) unless such appraisal or automated valuation model is done pursuant to written, pre-established bona fide pre- or post-funding appraisal review or quality control process or underwriting guidelines, and so long as the lender adheres to a policy of selecting the most reliable appraisal, rather than the appraisal that states the highest value; or
- (10) any other act or practice that impairs or attempts to impair an appraiser’s independence, objectivity, or impartiality or violates law or regulation, including, but not limited to, the Truth in Lending Act (TILA) and Regulation Z, or the USPAP.

C. Nothing in this section shall be construed as prohibiting the lender (or any third party acting on behalf of the

(Home Valuation Code of Conduct continued...)

lender) from requesting that an appraiser (i) provide additional information or explanation about the basis for a valuation, or (ii) correct objective factual errors in an appraisal report.

II. Borrower Receipt of Appraisal

The lender shall ensure that the borrower is provided a copy of any appraisal report concerning the borrower's subject property promptly upon completion at no additional cost to the borrower, and in any event no less than three days prior to the closing of the loan. The borrower may waive this three-day requirement. The lender may require the borrower to reimburse the lender for the cost of the appraisal.

III. Appraiser Engagement

A. The lender or any third party specifically authorized by the lender (including, but not limited to, appraisal companies, appraisal management companies, and correspondent lenders) shall be responsible for selecting, retaining, and providing for payment of all compensation to the appraiser. The lender will not accept any appraisal report completed by an appraiser selected, retained, or compensated in any manner by any other third party (including mortgage brokers and real estate agents). The lender may accept an appraisal prepared by an appraiser for a different lender, including where a mortgage broker has facilitated the mortgage application (but not ordered the appraisal), provided the lender: (1) obtains written assurances that such other lender follows this Code of Conduct in connection with the loan being originated; and (2) determines that such appraisal conforms to its requirements for appraisals and is otherwise acceptable.

B. All members of the lender's loan production staff, as well as any person (i) who is compensated on a commission basis upon the successful completion of a loan or (ii) who reports, ultimately, to any officer of the lender not independent of the loan production staff and process, shall be forbidden from (1) selecting, retaining, recommending, or influencing the selection of any appraiser for a particular appraisal assignment or for inclusion on a list or panel of appraisers approved to perform appraisals for the lender or forbidden from performing such work; and (2) having any substantive communications with an appraiser or appraisal management company relating to or having an impact on valuation, including ordering or managing an appraisal assignment. If absolute lines of independence cannot be achieved as a result of the lender's small size and limited staff, the lender must be able to clearly demonstrate that it has prudent safeguards to isolate its collateral evaluation process from influence or interference from its loan production process.

C. Any employee of the lender (or if the lender retains an appraisal company or appraisal management company, any employee of that company) tasked with selecting appraisers for an approved panel or substantive appraisal review must be (1) appropriately trained and qualified in the area of real estate appraisals, and (2) in the case of an employee of the lender, wholly independent of the loan production staff and process.

IV. Prevention of Improper Influences on Appraisers

A. In underwriting a loan, the lender shall not utilize any appraisal report:

(1) prepared by an appraiser employed by:

- (a) the lender;
- (b) an affiliate of the lender;
- (c) an entity that is owned, in whole or in part, by the lender; or
- (d) an entity that owns, in whole or in part, the lender.

(2) prepared by an appraiser

- (a) employed,
- (b) engaged as an independent contractor, or
- (c) otherwise retained by

any appraisal company or any appraisal management company affiliated with, or that owns or is owned, in whole or in part by, the lender or an affiliate of the lender.

(Home Valuation Code of Conduct continued...)

B. Section IV.A. shall apply unless:

(1) the appraiser or, if an affiliate, the company for which the appraiser works, reports to a function of the lender independent of sales or loan production;

(2) employees in the sales or loan production functions of the lender have no involvement in the operations of the appraisal functions and play no role in selecting, retaining, recommending, or influencing the selection of any appraiser for any particular appraisal assignment or for inclusion on a list or panel of appraisers approved to perform appraisals for the lender or forbidden from performing such work;

(3) employees in the sales or loan production functions of the lender are not allowed to have any substantive communications with an appraiser, appraisal company, or appraisal management company relating to or having an impact on valuation or to be provided information about which appraiser has been given a particular appraisal assignment before completion of that assignment;

(4) the lender, or its agents, and any appraisal company or appraisal management company providing the appraisal to the lender do not provide the appraiser any estimated or target value of the property or the loan amount applied for (except that a copy of the sales contract for purchase transactions may be provided);

(5) the appraiser's compensation does not depend in any way on the value arrived at in any appraisal or upon the closing of the loan for which the appraisal was completed;

(6) the lender and any appraisal company or any appraisal management company providing the appraisal to the lender has adopted written policies and procedures implementing this Code of Conduct, including, but not limited to, adequate training and disciplinary rules on appraiser independence (including the principles detailed in Part I of this Code of Conduct) and has mechanisms in place to report and discipline anyone who violates these policies and procedures;

(7) the lender's appraisal functions are either annually audited by an external auditor or are subject to federal or state regulatory examination, and, unless prohibited by law, the lender promptly provides to Fannie Mae or Freddie Mac the results of any adverse, negative, or irregular findings of such audits and examinations indicating non-compliance with any provision of this Code of Conduct, whether or not the examination was conducted for the purpose of determining compliance with this Code of Conduct; and

(8) the lender and any entity described in section IV.A. providing the appraisal to the lender recognize that, once the Independent Valuation Protection Institute is established, the Institute will receive complaints for review and referral regarding non-compliance with the Code of Conduct. Referrals and reports shall be made to Fannie Mae and/or Freddie Mac regarding such complaints and the Institute will provide information on the results of complaint reviews to Fannie Mae and/or Freddie Mac and make them available to the other parties to the Home Value Protection Program and Cooperation Agreement.

C. In underwriting a loan, the lender shall not use an appraisal report prepared by an entity that is affiliated with, or that owns or is owned, in whole or in part by, another entity that is engaged by the lender to provide other settlement services, as that term is defined in the Real Estate Settlement Procedures Act, 12 U.S.C. § 2601 et seq., for the same transaction, unless the entity that provides the appraisal:

(1) has adopted written policies and procedures implementing this Code of Conduct, including, but not limited to, adequate training and disciplinary rules on appraiser independence (including the principles detailed in this Code of Conduct) and has mechanisms in place to report and discipline anyone who violates these policies and procedures;

(2) recognizes that, once the Independent Valuation Protection Institute is established, the Institute will receive complaints for review and referral regarding non-compliance with the Code of Conduct. Referrals and reports shall be made to Fannie Mae and/or Freddie Mac regarding such complaints and the Institute will provide information on the results of its review of such complaints to Fannie Mae and/or Freddie Mac and make them available to the other parties to the Home Value Protection Program and Cooperation Agreement.

D. Notwithstanding the requirements herein, the lender also may use in-house staff appraisers to (i) order appraisals, (ii) conduct appraisal reviews or other quality control, whether pre-funding or post-funding, (iii) develop, deploy, or use internal automated valuation models, or (iv) prepare appraisals in connection with transactions other than mortgage origination transactions (e.g. loan workouts), if it complies with the terms of this Code of Conduct.

E. The provisions of this section do not apply to institutions (including non-banking institutions) that meet the defi-

inition of a “small bank” as set forth in 12 U.S.C. § 2908, and which Freddie Mae or Fannie Mae determines would suffer hardship due to the provisions, and which otherwise adhere to this Code of Conduct.

V. The Independent Valuation Protection Institute

An Independent Valuation Protection Institute (Institute) shall be created as approved by the parties. Subject to section IX, when the Institute is established, the lender will provide information to appraisers and borrowers regarding the availability of the Institute’s services, which are expected to include: (1) a telephone hotline and email address to receive any complaints of Code of Conduct non-compliance, including complaints from appraisers, individuals, or other entities concerning the improper influencing or attempted improper influencing of appraisers or the appraisal process, which the Institute will review and report as provided in IV.B(8) and IV.C(2) of this Code of Conduct; and (2) the publication and promotion of best practices for independent valuation. The lender shall not retaliate, in any manner or method, against the person or entity that makes a complaint to the Institute.

VI. Appraisal Quality Control Testing

The lender agrees that it shall quality control test, by use of retroactive or additional appraisal reports or other appropriate method, a randomly selected 10 percent (or other bona fide statistically significant percentage) of the appraisals or valuations that are used by the lender, including the results of automated valuation models, broker’s price opinions, or “desktop” evaluations. The lender shall provide to Fannie Mae or Freddie Mac a report of any adverse, negative, or irregular findings of such quality control testing, and any findings indicating non-compliance with any provision of this Code of Conduct, with respect to loans sold to Fannie Mae and Freddie Mac respectively, and the Enterprise may enforce all applicable rights and remedies, including requiring the lender to repurchase mortgages or the Enterprise’s participation interest in mortgages.

VII. Referrals of Appraisal Misconduct Reports

Any lender that has a reasonable basis to believe an appraiser or appraisal management company is violating applicable laws, or is otherwise engaging in unethical conduct, shall promptly refer the matter to the applicable State appraiser certifying and licensing agency or other relevant regulatory bodies.

VIII. Representations and Warranties

A lender shall certify, warrant, and represent that the appraisal report was obtained in a manner in compliance with this Code of Conduct. If the Enterprise determines, on its own or from a referral made by the Institute, that a lender is in breach of a material aspect of this Code of Conduct or in violation of a provision of the Code by a complaint referred from the Institute, the Enterprise will enforce all applicable rights and remedies, including suspension or termination of the lender’s eligibility to sell loans to the Enterprise, if the lender fails to remediate.

IX. Scope of Code

Nothing in this Code of Conduct shall be construed to establish new requirements or obligations that: (1) require a lender to obtain a property valuation, or to use any particular method for property valuation (such as an appraisal or automated valuation model) in connection with any mortgage loan or mortgage financing transaction; (2) affect the acceptable scope of work for an appraiser in connection with a particular assignment; or (3) require the lender or any third party acting on behalf of the lender to take any action prohibited by federal or state law or regulation.

The Missouri Real Estate Appraisers Commission recently inquired of Fannie Mae whether or not personal property boat docks are to be included in residential property valuations.

Below you will find the letter the Commission sent to Fannie Mae along with Fannie Mae's response.

To Whom It May Concern:

The Missouri Real Estate Appraisers Commission requests the assistance of FannieMae pertaining to the issue of the treatment of boat docks when they are reported on FannieMae URAR forms.

The development and reporting of personal property and real property in appraisals is well documented and straightforward. However, we have been informed by appraisers in many parts of our state that it is common practice to include boat docks in the value reported as real property on the URAR form.

Our understanding from our appraisers is that they have been required by their clients (lenders) to include the value of the boat dock in the real property value on the URAR. In some cases, they are required to list the value of the boat dock in an addendum and clarify how much of the value reported as real property on the URAR is real property and how much is personal property.

We are concerned that the "common" practice in our state regarding boat docks has caused for personal property values to be included in the majority of reported real property values for property appraisals that include boat docks. Ostensibly, a large portion of these appraisals have likely been accepted by FannieMae lenders in our area.

We would appreciate any information or assistance FannieMae can provide concerning either the specific treatment of boat docks, or the overall treatment of personal property as it pertains to the use of the URAR form. More specifically, we ask the following:

- Has FannieMae instructed lenders or appraisers to include personal property boat docks in real property valuations (utilizing the URAR form)?
- Does FannieMae have supplemental standards or conditions that require boat docks to be included in real property valuations on the URAR form?
- Does FannieMae have any specific instructions pertaining to the treatment of boat docks in appraisals?
- Is there any reason that FannieMae would not consider a boat dock to be personal property?
- What is FannieMae's directive for the reporting of boat docks, or other personal property, when such property is included as a part of an appraisal being performed for FannieMae lenders on the URAR form?

While our investigation concentrates on the issue of boat docks, we would welcome any information FannieMae would like to provide regarding the development and reporting of personal property for appraisals completed on the URAR form.

Your prompt attention to this matter is appreciated.

Sincerely,

Vanessa Beauchamp

Dear Ms. Grinston:

This letter is in response to your letter to Mr. Lund, dated November 6, 2008, regarding Fannie Mae's guidelines for purchasing a loan secured by personal as well as real property.

Fannie Mae purchases mortgage loans on real property and does not purchase loans secured by personal property except in very limited circumstances, such as certain manufactured housing loans. Fannie Mae's Uniform Residential Appraisal Report requires a market value of the real property, not personal property. For that reason, Fannie Mae expects that personal property is not included in the appraiser's opinion of market value.

As per the Fannie Mae Selling Guide, Part VII, 104: Eligible Mortgage, in particular Part VII, 104.01: Lien Type, "Personal property may not be included as additional security for any mortgage on a one-unit property unless we have specified otherwise." Therefore we expect that personal property is not included in the appraiser's opinion of market value. If items exist on the property that the appraiser has determined are personal property, the appraiser should discuss these items in the appraisal report and indicate that they have not been included in the final opinion of market value.

To address the specific questions referenced in your letter, we are pleased to provide the following comments:

- Has Fannie Mae instructed lenders or appraisers to include personal property boat docks in real property valuations (utilizing the URAR form)?

Answer: Fannie Mae has not instructed lenders to include personal property boat docks in real property valuations.

- Does Fannie Mae have supplemental standards or conditions that require boat docks to be included in real property valuations on the URAR form?

Answer: Fannie Mae does not have supplemental standards or conditions that require boat docks to be included in real property valuations.

- Does Fannie Mae have any specific instructions pertaining to the treatment of boat docks in appraisals?

Answer: Fannie Mae does not specifically define personal property. Fannie Mae believes that a professional appraiser who has the knowledge, experience, and geographical competence to complete the appraisal assignment is best suited for identifying personal property items in the appraisal.

- Is there any reason that Fannie Mae would not consider a boat dock to be personal property?

Answer: Whether a boat dock is personal property or real property in part depends on if there are riparian rights (water rights) or non-riparian rights as well as the type of dock. Once again this decision is to be made by the professional appraiser completing the appraisal assignment.

- What is Fannie Mae's directive for the reporting of boat docks, or other personal property, when such property is included as a part of an appraisal being performed for Fannie Mae lenders on the URAR form?

Answer: Based on the Fannie Mae Selling Guide, Part VII, 104.01, Fannie Mae expects that personal property will not be included in the appraiser's opinion of market value. The appraiser should discuss the presence of personal property items as well as analyze the effect on value, if any.

As a general practice, Fannie Mae actively participates in discussions with appraisal industry associations and organizations to promote prudent appraisal practices and standards and the consistent application of our policies and guidelines. We appreciate your inquiry and look forward to hearing again from you on any other matter that may be of concern.

Sincerely,

Gwen Muse-Evans
